Neighbors Got Fooled.

"I was literally coughing myself to death, and had become too weak to leave my bed, and neighbors predicted that I would never leave it alive; but they got fooled, for thanks be to God, I was induced to try Dr. King's New Discovery. It took just four one dollar bottles to completely cure the cough and restore me to good sound health," writes Mrs. Eva Uncapher, of Grovertown, Stark Co., Ind. This King of cough and cold cures, and healer of throat and lungs, is guaranteed by the Fort Pierce Drug Co. 50c and \$1.00. Trial bottle free.

Hunger Dreams.

Hunger is one of the trials that explorers of the polar regions have to encounter very often. Captain Scott in his book has this description of an unpleasant experience in the farthest south: "My companions got very bad food dreams—in fact, these have become the regular breakfast conversation. It appears to be a sort of nightmare; they are either sitting at a well spread table, with their arms tied, or they grasp at a dish and it slips out of their hands, or they are in the act of lifting a dainty morsel to the mouth when they fall over a precipice."

Don't Grumble

When your joints ache and you suffer from rheumatism. Buy a bottle of Ballard's Snow Liniment and get instant relief. A positive cure for rheumatism, burns, cuts, contracted muscles sore chest, etc. Mr. I. T. Bogy, a prominent merchant at Willow Point, Texas, says that he finds Ballard's Snow Liniment "the best all round liniment he ever used." Sold by Trowell Drug Co.

The First Libraries.

So far as existing records show, the oldest approximation to libraries was brought to light by the Assyrian discoveries in the form of Babylonish books inscribed on clay tablets. They are supposed to have been prepared for public instruction about 650 B. C. Plutarch is said to have founded a library at Athens about 557 B. C., but there is no clear evidence to that effect. According to Strabo, Aristotle was the first known collector of a library and bequeathed it to Theophrastus 322 B. C., the library finally going to Rome.

Rising From the Grave.

A prominent manufacturer, Wm. A. Fertwell, of Lucama, N. C., relates a most remarkable experience. He says: "After taking less than three bottles of Electric Bitters I feel like one rising from the grave. My trouble is Bright's disease in the diabetes stage. I fully believe Electric Bitters will cure me permanently, for it has already stopped the liver and bladder complications which have troubled me for years." Guaranteed at the Fort Pierce Drug Co. Price only 50c.

The Korean Bride.

The Korean woman who speaks or even nods on her wedding day immediately becomes an object of ridicule and loses caste. Neither threat nor prayer must move her, for the whole household is ever on the alert to catch a single muttered syllable. Her period of silence often lasts for a week or more, and when complete silence is broken she only uses her tongue for the most necessary uses.

Children in Pain

Never cry as do children who are suffering from hunger. Such is the cause of all babies who cry and are treated for sickness when they really are suffering from hunger. This is caused from their food not being assimilated but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once. Give it a trial. Sold by Trowell Drug Co.

The Colossus of Rhodes, erected by the Rhodians, was thrown down by an earthquake 224 B. C. The statue was in ruins for nearly three centuries and had never been repaired, when the Saracens, upon the capture of Rhodes, pulled it to pieces and sold the metal, weighing 700,000 pounds.

At this season we should eat sparingly and properly. We should also help the stomach as much as possible by the use of a little Kodol occasionally. Kodol for Indigestion and Dyspepsia will rest the stomach by actually digesting the food itself. Sold by Trowell Drug Company.

There is this difference between a wise man and a fool—the wise man expects future things, but does not depend upon them, and in the meantime enjoys the present, remembering the past with delight, but the life of the fool is wholly carried on to the future. —Epictetus.

Kodol for Indigestion and Dyspepsia is a preparation of vegetable acids and contains the same juices found in a healthy stomach. It digests what you eat. Sold by Trowell Drug Co.

Pomona Nurseries

Wholesale and Retail Southern Office, Miami, Fla.

We bud on ROUGH LEMON, SOUR ORANGE, GRAPEFRUIT and LIME ROOTS, all of which have their advantages when planted upon land to which they are best adapted. We especially recommend Sour Orange Roots for producing the BEST QUALITY of ORANGES and we take pleasure in advising our patrons who are in doubt as to the kind of roots best adapted to their particular soil.

We have large Nurseries on the Red Lands of the Homestead Country, also on high Hammock land near Fulford and on high Pine land near Miami and Lemon City, also on the Indian River, near Fort Pierce, and are therefore in position to furnish trees best adapted to different soils and locations.

OUR NURSERIES are ABSOLUTELY FREE from WHITE FLY, and as there is no White Fly in Dade, or St. Lucie Counties, you take no risk in buying our trees. There is danger in bringing trees from other sections of the State where this dreaded pest is generally distributed.

We also grow a full line of FRUIT and ORNAMENTAL trees and plants best adapted to South Florida, which are fully described in our large illustrated catalogue, mailed free upon application.
